Illinois report cards

Advisory Committee Meeting - APPENDIX

April 8, 2011

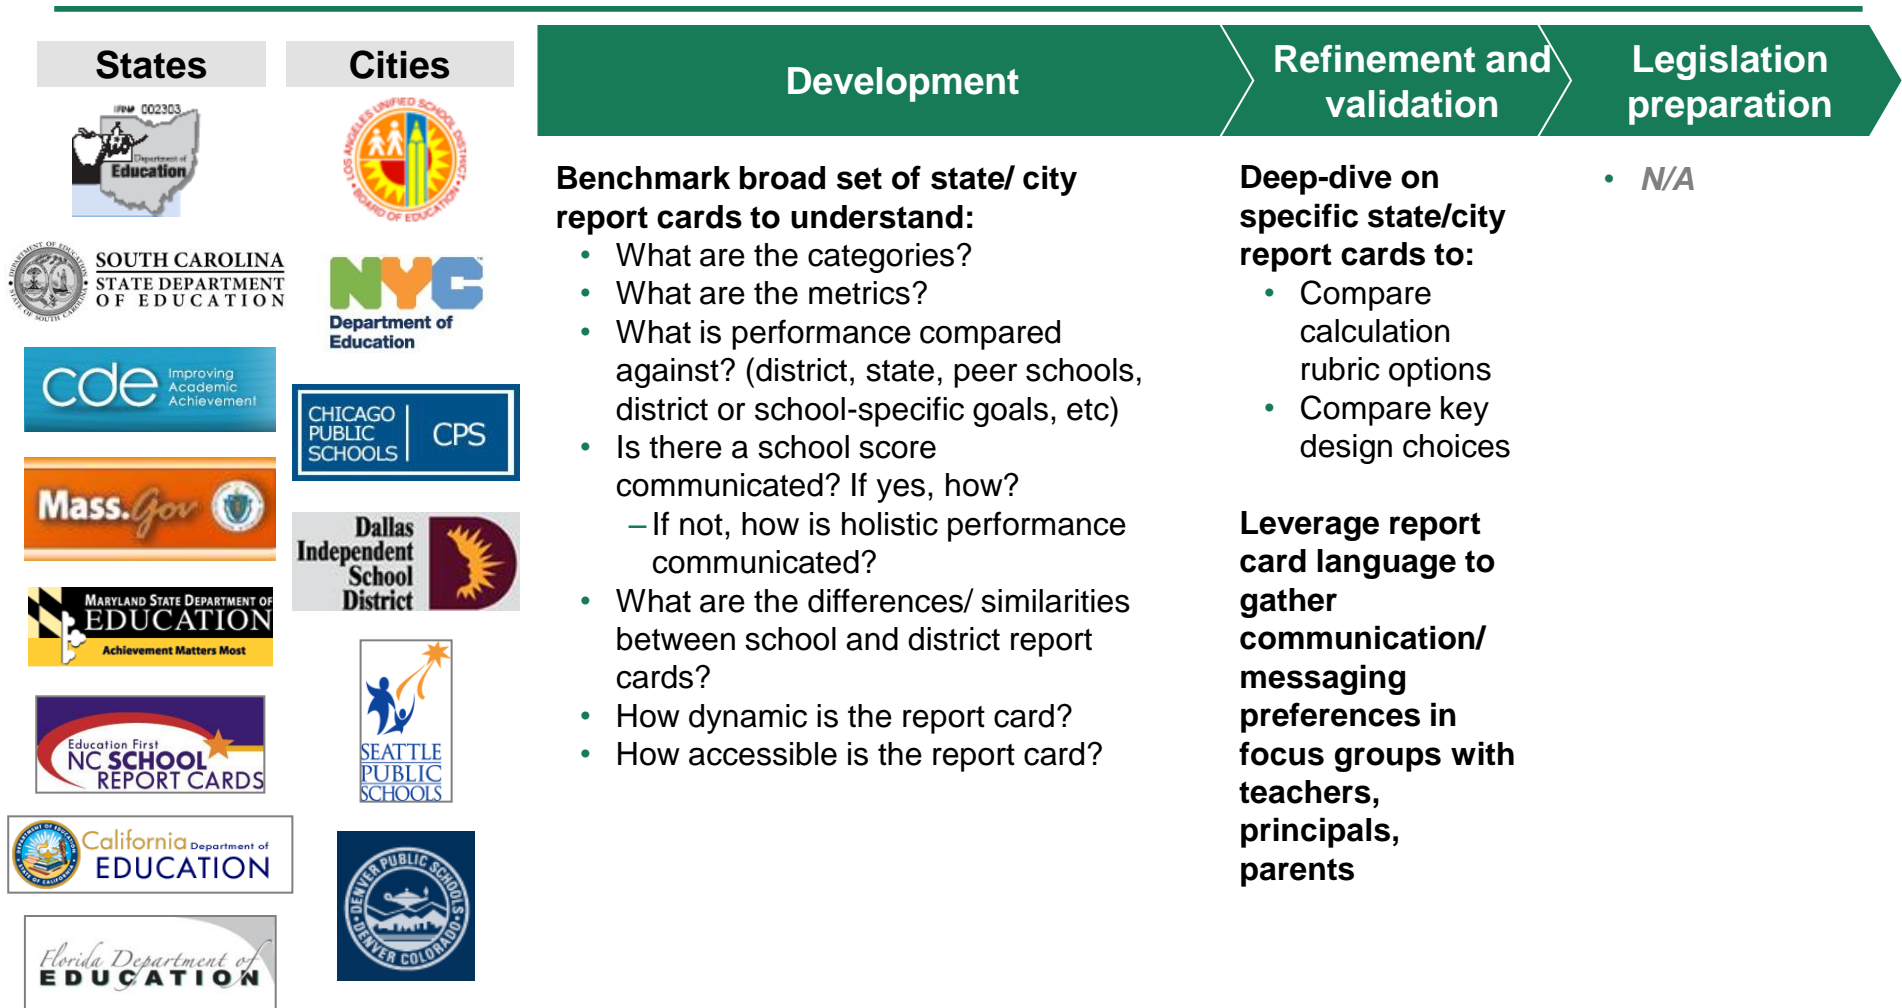

THE BOSTON CONSULTING GROUP

Appendix

- Project design and approach supporting slides
- Guiding questions' link to ISBE goals
- Report Card Advisory Committee first meeting notes
- Preliminary metric benchmarking
- Current IL school evaluation vehicles
- Benchmarking report card examples

External benchmarks will inform report card development throughout first two phases of project

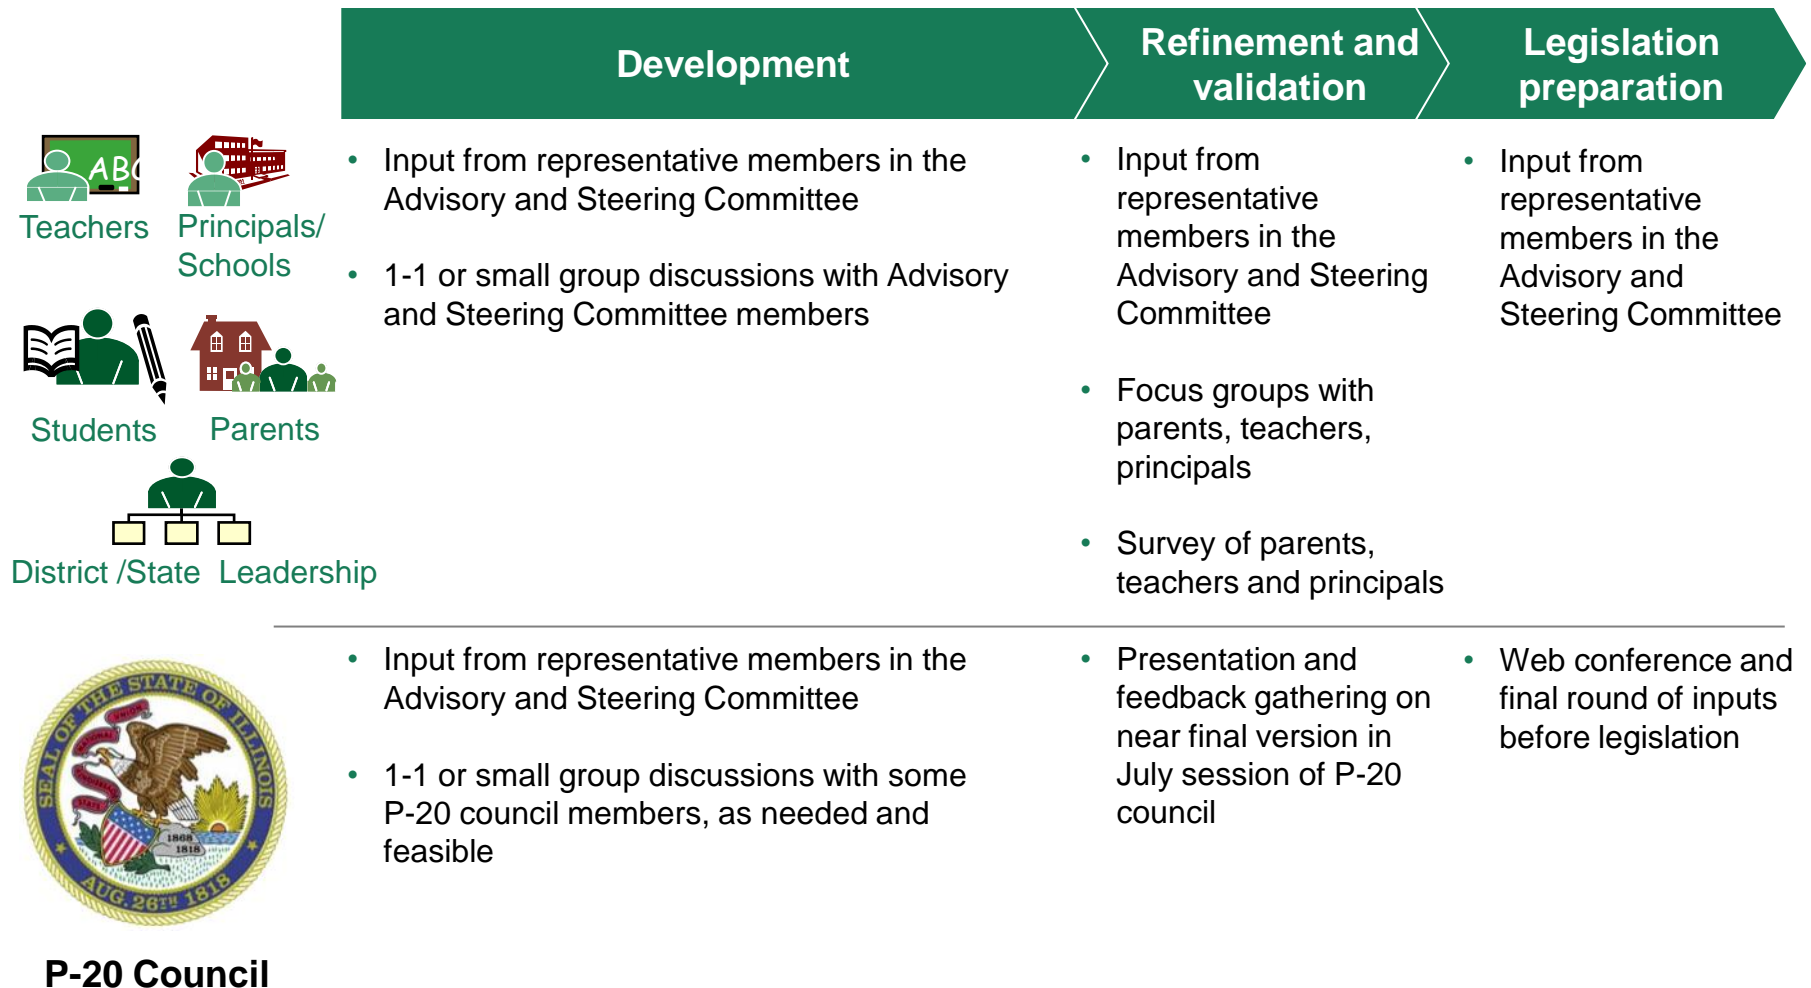

Benchmarking plan

Note: Benchmark states/ cities selected based on previous BCG experience and committees' interests; will build broader set of benchmarks to ensure comprehensiveness.

A collaborative approach to be followed over next six months to develop the report cards

Stakeholder engagement plan

Team governance structure established for decision-making and broad involvement of key stakeholders

- Overall leadership on project

P-20 Council

- Provide strategic and tactical direction; take key decisions
- Overall responsibility for BCG support
- Remove roadblocks

Steering committee

- Manage day-to-day activities
- Control progress and results
- Synthesize findings
- Conduct data gathering and analysis
- Conduct interviews and focus groups with key stakeholders
- Identify and raise roadblocks

Governance groups to be engaged for decision making routinely

Guiding questions consistent with ISBE goals

Guiding questions

- 1 Are students achieving quality outcomes?
- 2 Are students making progress toward quality outcomes?
- 3 Is the school/ district climate conducive to enabling quality outcomes and progress?
- 4 Is the school/ district resourced to enable quality outcomes and progress?

ISBE GOALS

- Every student will demonstrate **academic achievement** and be **prepared** for **success** after high school
- Every student will be **supported** by **highly prepared** and **effective teachers and school leaders**
- Every school will offer a **safe and healthy learning environment** for all students

In first meeting, Advisory Committee reviewed report card vision and 4 objectives (I)

Vision

"Provide information that can be used by parents, teachers, policymakers, taxpayers, researchers, and students to make changes at a local level to improve teaching and learning"

4 objectives

1. Develop a list of indicators to add, remove, or amend
2. Recommend methodology to calculate new or complicated measures
3. Craft guidelines for communication and release of report card each year
4. Make design suggestions to make the report more user-friendly

Advisory Committee discussed key report card design considerations (II)

Design considerations

Lay-out

- 1-2 page summary at front, aimed at parents, with more extensive back section
- Explain what numbers mean and what they should/ should not be used for

Data communication

- Display numbers as 'below,' 'at,' 'above' grade level
- Use average scale scores with a confidence interval and caveat about test score reliability
- Show growth over years instead of meets/ exceeds
- Determine whether data can be organized to 'tell a story' about persistence in the school (e.g. via graduation rates of elementary, middle school alumni)

Data sources

- Use internally consistent measures to track year to year change
- Share local measures and ISAT scores

Comparisons

- Include comparisons to similar schools, regions so best practices and ideas can be exchanged
- Online version of report to facilitate comparisons¹

1. Need to think through whether/ how to coordinate with the Illinois Interactive Report Card.
Source: Illinois P-20 Council Advisory Committee on School Report Card 2/15/2011 meeting minutes.

Advisory Committee discussed potential metric changes and additions – in context of current IL Report Card categories (III)

Metric changes and additions

Academic performance

- Graduation rates¹
- College readiness
- Post-secondary matriculation rates
- Post-secondary remediation rates
- Student growth
- Kindergarten readiness
- Freshman on-track rate
- High school readiness (e.g. 8th graders taking/ passing Algebra I)
- Graduation rates of elementary, middle school alumni
- AP taking/ passing rate
- IB/ dual credit taking rate
- ACT performance (average; % who earn 'college ready score')
- NAEP performance
- WorkKeys performance
- College-ready course completion (students who took x years of math, sci, etc)
- Course-taking info related to test performance (e.g. % who took Algebra II before ACT)

Instructional setting

- Average class size (instead of pupil: teacher ratio)
- Staff by type
- Teachers by certification level
- Teacher evaluation metric breakdown
- Teacher attendance
- Teacher turnover
- Instructional time dedicated to core subjects

Student information

- Mobility
- Attendance (not truancy)
- Demographics
- Enrollment

District finances

- Per pupil instructional expenditure²
- Per pupil operational expenditure²

Additions

- Parent involvement & parent survey³
- School safety, climate, & learning conditions ³
- Narrative of school improvement plans

1. Using new federally approved measure. 2. Discussed potential for other finance-related items to be placed not on "one pager," but in full report: EAV per pupil over time; school tax rate over time; education fund spending broken down by administration, instructional delivery, etc; average teacher and administrator salary/benefits; special education spending, revenue by source, breakdown of General State Aid; interest in reporting other school expenditures as 3 yr averages to account for capital spending hikes; interest in relating staffing changes to enrollment changes. 3. Did not discuss in depth.

Los Angeles

Seattle

Progress

Readiness

- % graduates passing all A-G courses
- % students on track to pass all A-G req'ts
- % students moving 9th to 10th/ 10th to 11th grade
- % students taking at least 1 AP course
- % students in AP passing with "C" or better
- # unique AP subject courses offered

Climate

Learning environment - students (survey response rate)

- What we are learning takes a lot of thinking
 - Adults at this school know my name
 - My school is clean
 - I feel safe on school grounds
 - Highest level of education students plan to complete
- ### Learning environment – parents (survey response rate)
- I feel welcome to participate at school
 - The school offers me opportunities to participate in councils, parent organizations
 - I talk with the teacher about my child's schoolwork
 - My child is safe on school grounds
- ### Learning environment – staff (survey response rate)
- I get the help I need to communicate with parents
 - I am proud of this school
 - My school is clean
 - I feel safe on school grounds

Student climate & engagement (survey response rate)

- Students feeling positive about school environment
- Students feeling positive about instructional quality

Family/staff climate & engagement (survey response rate)

- Staff feeling positive about school leadership
- Families feeling positive about professional culture
- Families feeling positive about family engagement
- Families satisfied with quality of school

Illinois Report Card (1 of 4)

Students, instructional setting, school district finances

STUDENTS

RACIAL/ETHNIC BACKGROUND AND OTHER INFORMATION

	White	Black	Hispanic	Asian/ Pacific Islander	Native American	Multi racial /Ethnic	Percent Low- Income	Percent Limited- English- Proficient	Percent IEP	High Sch. Dropout Rate	Chronic Truancy Rate	Mobility Rate	Attendance Rate	Total Enrollment
School	63.2	25.7	2.8	3.9	0.2	4.2	34.0	0.3	10.1	0.3	2.0	21.6	91.7	1,509
District	50.6	37.3	1.8	1.8	0.3	8.1	65.5	0.2	18.4	2.0	4.2	26.9	92.0	14,543

Low-income students come from families receiving public aid, live in institutions for neglected or delinquent children; are supported in foster homes with public funds; or are eligible to receive free or reduced-price lunches. IEP Students are those students eligible to receive special education services.

Limited-English-proficient students are those students eligible for transitional bilingual programs. Mobility rate is based on the number of times students enroll in or leave a school during the school year. Chronic truants are students who are absent from school without valid cause for 18 or more of the last 180 school days.

District	\$134,287	4.67	\$6,215	\$11,578
State	**	**	\$6,483	\$11,197

** Due to the way Illinois school districts are configured, state averages for equalized assessed valuation per pupil and total school tax rate per \$100 are not provided. Equalized assessed valuation includes all computed property values upon which a district's local tax rate is calculated. Total school tax rate is a district's total tax rate as it appears on local property tax bills. Instructional expenditure per pupil includes the direct costs of teaching pupils or the interaction between teachers and pupils. Operating expenditure per pupil includes the gross operating cost of a school district excluding summer school, adult education, bond principal retired, and capital expenditures.

Illinois Report Card (2 of 4)

Academic performance: ACTs, graduation, all state tests, PSAE, IAA

ACADEMIC PERFORMANCE

ACT ASSESSMENT: GRADUATING CLASS OF 2010 *

The number and percent of students taking the ACT are no longer reported since virtually every eleventh grade student takes the ACT as part of the PSAE.

* Includes graduating students' most recent ACT Assessment scores from an ACT national test date or PSAE testing. Excludes the scores of students who took the test with special accommodations. State averages for ACT data are based on regular public schools and do not include private and special purpose schools.

PSAE PERFORMANCE

These charts provide information on attainment of the Illinois Learning Standards. They show the average scores and also the percents of student scores meeting or exceeding standards in reading, mathematics, and science on PSAE.

PRAIRIE STATE ACHIEVEMENT EXAMINATION (PSAE) - Average Scores

PRAIRIE STATE ACHIEVEMENT EXAMINATION (PSAE) - Percents Meeting or Exceeding Standards

OVERALL STUDENT PERFORMANCE

These charts present the overall percentages of state test scores categorized as meeting or exceeding the Illinois Learning Standards for your school, district, and the state. They represent your school's performance in reading, mathematics, science.

OVERALL PERFORMANCE - ALL STATE TESTS

OVERALL PRAIRIE STATE ACHIEVEMENT EXAMINATION (PSAE) PERFORMANCE

OVERALL ILLINOIS ALTERNATE ASSESSMENT (IAA) PERFORMANCE

IAA scores in the Progressing and Attaining performance levels count the same, respectively, as scores on other state assessments that meet or exceed Standards.

Illinois Report Card (3 of 4)

Performance on state assessments: across performance levels and by student subgroup

IAA PERFORMANCE

These charts provide information on attainment of the Illinois Learning Standards. They show the percents of student scores meeting or exceeding Standards for the grades and subjects tested on IAA.

PERFORMANCE ON STATE ASSESSMENTS

Federal law requires that student achievement results for reading, mathematics, and science for schools providing Title I services be reported to the general public.

The Illinois Standards Achievement Test (ISAT) is administered to students in grades 3 through 8. The Prairie State Achievement Examination (PSAE) is administered to students in grade 11. The Illinois Alternate Assessment (IAA) is administered to students with disabilities whose Individualized Education Programs (IEPs) indicate that participation in the ISAT or PSAE would not be appropriate.

Students with disabilities have an IEP (No Child Left Behind Act). An IEP is a written plan for a child with a disability who is eligible to receive special education services under the Individuals with Disabilities Education Act.

Reading and Mathematics are tested in grades 3 through 8 and 11. Science is tested in grades 4, 7, and 11.

In order to protect students' identities, test data for groups of fewer than ten students are not reported.

PERCENTAGE OF STUDENTS NOT TESTED IN STATE TESTING PROGRAMS FOR READING AND MATHEMATICS

PRAIRIE STATE ACHIEVEMENT EXAMINATION (PSAE)

The following tables show the percentages of student scores in each of four performance levels. These levels were established with the help of Illinois educators who teach the grade levels and learning areas tested. Due to rounding, the sum of the percentages in the four performance levels may not always equal 100.

- Level 1 – Academic Warning - Student work demonstrates limited knowledge and skills in the subject. Because of major gaps in learning, students apply knowledge and skills ineffectively.
- Level 2 – Below Standards - Student work demonstrates basic knowledge and skills in the subject. However, because of gaps in learning, students apply knowledge and skills in limited ways.
- Level 3 – Meets Standards - Student work demonstrates proficient knowledge and skills in the subject. Students effectively apply knowledge and skills to solve problems.
- Level 4 – Exceeds Standards - Student work demonstrates advanced knowledge and skills in the subject. Students creatively apply knowledge and skills to solve problems and evaluate the results.

ILLINOIS ALTERNATE ASSESSMENT (IAA)

The Illinois Alternate Assessment (IAA) is administered to students with disabilities whose Individualized Education Programs (IEPs) indicate that participation in the ISAT or PSAE would not be appropriate. The table below presents the percentages of student scores in each of four performance levels.

- Level 1 – Entry - Students do not demonstrate knowledge and skills in the subject through links to the Illinois Learning Standards.
- Level 2 – Foundational - Students demonstrate emerging knowledge and skills in the subject as linked to the Illinois Learning Standards. Students exhibit an ability to reproduce knowledge and skills.
- Level 3 – Satisfactory - Students demonstrate basic knowledge and skills in the subject through links to the Illinois Learning Standards. Students exhibit an ability to associate their knowledge and skills.
- Level 4 – Mastery - Students demonstrate knowledge and skills in the subject through links to the Illinois Learning Standards. Students exhibit the ability to apply their knowledge and skills.

Four Conditions Are Required For Making Adequate Yearly Progress (AYP):

1. At least 95% tested in reading and mathematics for every student group. If the current year participation rate is less than 95%, this condition may be met if the average of the current and preceding year rates is at least 95%, or if the average of the current and two preceding years is at least 95%. Only actual participation rates are printed. If the participation rate printed is less than 95% and yet this school makes AYP, it means that the 95% condition was met by averaging.
2. At least 77.5% meeting/exceeding standards in reading and mathematics for every group. For any group with less than 77.5% meeting/exceeding standards, a 95% confidence interval was applied. Subgroups may meet this condition through Safe Harbor provisions. ***
3. At least 91% attendance rate for non-high schools and at least 80% graduation rate for high schools.

* Includes only students enrolled as of 05/01/2009.

** Safe Harbor Targets of 77.5% or above are not printed.

*** Subgroups with fewer than 45 students are not reported. Safe Harbor only applies to subgroups of 45 or more. In order for Safe Harbor to apply, a subgroup must decrease by 10% the percentage of scores that did not meet state standards from the previous year plus meet the other indicators (attendance rate for non-high schools and graduation rate for high schools) for the subgroup. For subgroups that do not meet their Safe Harbor Targets, a 75% confidence interval is applied. Safe Harbor allows schools an alternate method to meet subgroup minimum targets on achievement.

Student support includes counseling, transportation and food service. Administration/operations includes principal salaries and the cost of janitorial services. Building/equipment and debt service include the costs of school facilities.

DISTRICT SPENDING

Illinois School Profile (2 of 2)

Student academic performance, Adequate Yearly Progress

Student Academic Performance

How our students do on state tests is just one way to measure their academic achievement. * You can compare the percentage of our students that meet or exceed standards on statewide tests to the statewide percentage. You should also look at how this year's results compare to previous years'. The Illinois Standards Achievement Test (ISAT) is the state test administered to students in selected elementary grades. The Prairie State Achievement Examination (PSAE) is the state test that students take in the 11th grade.

GRADE 11 PSAE - READING AND MATHEMATICS (PERCENT MEETING OR EXCEEDING STANDARDS)

2010 - Grade 11 PSAE Reading, Mathematics and Science (Percent Meeting or Exceeding Standards)

	Reading	Mathematics	Science
School	58.9	57.0	56.7
State	54.0	52.7	52.4

Adequate Yearly Progress

The No Child Left Behind Act and Illinois law require the State to measure whether our school is making Adequate Yearly Progress (AYP). AYP is based on the percent of students that meet/exceed standards on state tests, both as a whole and by different subgroups. Schools must also meet minimum attendance or graduation rates. If a school does not make AYP in the same subject area for two consecutive years, it is identified for School Improvement.

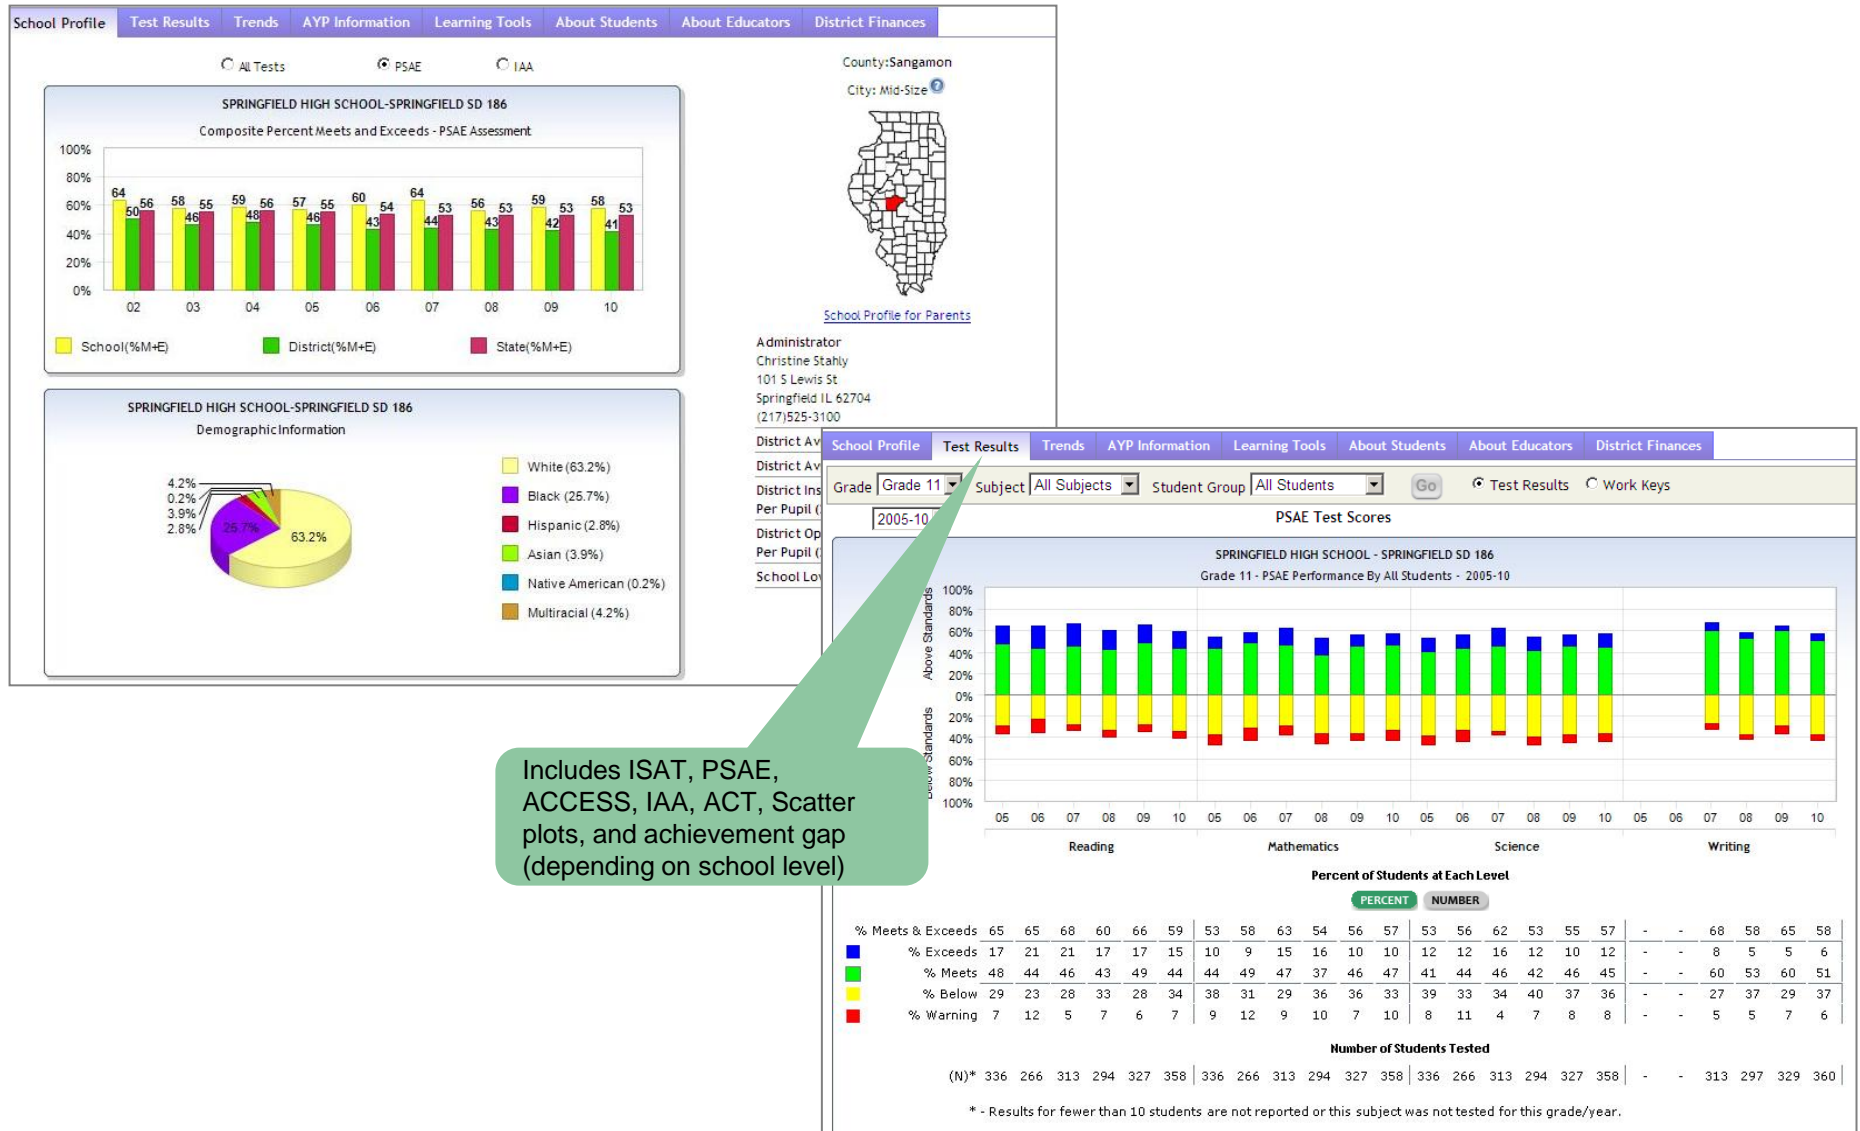

Is this school making Adequate Yearly Progress (AYP)?	No
Is this school making AYP in Reading?	No
Is this school making AYP in Mathematics?	No

Has this school been identified for School Improvement according to the AYP specifications of the federal No Child Left Behind (NCLB) Act?	No
2010-11 Federal Improvement Status	Academic Watch Status Year 5
2010-11 State Improvement Status	

* The 2007/2008 school year is the first time that Limited English Proficient (LEP) students, who would have taken the IMAGE in the past, took either the ISAT or PSAE with accommodations; therefore, any comparison with previous years' achievement levels for this subgroup and their schools and school districts should be made with appropriate caution.

Four Conditions Are Required For Making Adequate Yearly Progress (AYP)

- At least 95% tested in reading and mathematics for every student group. If the current year participation rate is less than 95%, this condition may be met if the average of the current and preceding year rates is at least 95%, or if the average of the current and two preceding years is at least 95%. Only actual participation rates are printed. If the participation rate printed is less than 95% and yet this school makes AYP, it means that the 95% condition was met by averaging.
- At least 77.5% meeting/exceeding standards in reading and mathematics for every group. For any group with less than 77.5% meeting/exceeding standards, a 95% confidence interval was applied. Subgroups may meet this condition through Safe Harbor provisions. ***
- For schools not making AYP solely because the IEP group fails to have 77.5% meeting/exceeding standards, 14% may be added to this variable in accordance with the federal 2% flexibility provision.
- At least 91% attendance rate for non-high schools and at least 80% graduation rate for high schools.

* Includes only students enrolled as of 05/01/2009.
** Safe Harbor Targets of 77.5% or above are not printed.
*** Subgroups with fewer than 45 students are not reported. Safe Harbor only applies to subgroups of 45 or more. In order for Safe Harbor to apply, a subgroup must decrease by 10% the percentage of scores that did not meet state standards from the previous year plus meet the other indicators (attendance rate for non-high schools and graduation rate for high schools) for the subgroup. For subgroups that do not meet their Safe Harbor Targets, a 75% confidence interval is applied. Safe Harbor allows schools an alternate method to meet subgroup minimum targets on achievement.

Includes AYP report, AYP ladder, and AYP steps (yearly progress table)

Colorado (1 of 2)

School Performance Framework Report 2010 - initial

Level: High School

School: ABC SCHOOL - 0000

District: ABC DISTRICT - 0000 (1 year***)

Improvement Plan

This is the plan type the school is required to adopt and implement. Schools are assigned a plan based on their overall framework score, which is a percentage of the total points earned. The overall score is then determined by the

"Plan" assigned to school based on overall framework score

Work Points Earned	
Improvement	at or above 47% - below 60%
Priority Improvement	at or above 33% - below 47%
Turnaround	below 33%

Framework points are calculated using the percentage of points earned out of points eligible. For schools with data on all indicators, the total points possible are: 15 points for Academic Achievement, 35 for Academic Growth, 15 for Academic Growth Gaps, and 35 for Postsecondary and Workforce Readiness.

Performance Indicators	Rating/Plan	% of Points Earned out of Points Eligible*	
Academic Achievement	Does Not Meet	31.3%	(4.7 out of 15 points)
Academic Growth	Meets	66.7%	(23.3 out of 35 points)
Academic Growth Gaps	Approaching	60.4%	(9.1 out of 15 points)
Postsecondary and Workforce Readiness	Approaching	58.3%	(20.4 out of 35 points)
Test Participation**	95% participation rate met		
TOTAL	Improvement	57.5%	(57.5 out of 100 points)

* Schools may not be eligible for all possible points on an indicator due to insufficient numbers of students. In these cases, the points are removed from both the points earned and the points eligible, so scores are not negatively impacted.

** Schools do not receive points for test participation. However, schools that do not meet the 95% participation rate in two or more subject areas are assigned a plan type one category lower than their points indicate.

Measure definitions to aid reader comprehension

What do the performance indicators measure?

Academic Achievement

The Achievement Indicator reflects how a school's students are doing at meeting the state's proficiency goal: the percentage of students proficient or advanced on Colorado's standardized assessments. This indicator includes results from CSAP and CSAPA (Reading, Writing, Math and Science), and Lectura and Escritura.

Academic Growth

The Growth Indicator measures academic progress using the Colorado Growth Model. This Indicator reflects 1) normative growth: how the academic progress of the students in this school compared to that of other students statewide with a similar CSAP score history in that subject area, and 2) adequate growth: whether this level of growth was sufficient for the typical (median) student in this school to reach an achievement level of proficient or advanced on the CSAP within three years or by 10th grade, whichever comes first.

Academic Growth Gaps

The Gaps Indicator measures the academic progress of historically disadvantaged student subgroups and students needing to catch up. It disaggregates the Growth Indicator into student subgroups, and reflects their normative and adequate growth. The subgroups include students eligible for Free/Reduced Lunch, minority students, students with disabilities (IEP status), English Language Learners, and students needing to catch up.

Postsecondary and Workforce Readiness

The Postsecondary and Workforce Readiness Indicator measures the preparedness of students for college or jobs upon completing high school. This indicator reflects student graduation rates, dropout rates, and average Colorado ACT composite scores.

Extensive demographic breakdowns of performance

Florida

2008-2009		
CLEWISTON HIGH SCHOOL (201) HENDRY (26) 1501 S FRANCISCO ST, CLEWISTON, FL 33440-5016 School Phone: 863-983-1520, Principal: ROBERT EGLEY		
Subject	State of Florida A+ Plan	Federal No Child Left Behind Act
School Grade	F This grade is calculated by adding points earned from each of the performance areas below.	69 % of criteria met This percent is based on a total of 39 criteria that every school must meet, if applicable.
Reading	• 32% of students reading at or above grade level • 40% of students making a year's worth of progress in reading • 37% of struggling students making a year's worth of progress in reading	WHITE, BLACK, HISPANIC, ECONOMICALLY DISADVANTAGED students in this school need improvement in Reading.
Math	• 63% of students at or above grade level in math • 69% of students making a year's worth of progress in math • 64% of struggling students making a year's worth of progress in math	WHITE, BLACK, HISPANIC, ECONOMICALLY DISADVANTAGED students in this school need improvement in Math.
Writing	• 61% of students are meeting state standards in writing.	This school has not met this criteria.
Science	• 14% of students at or above grade level in Science.	
Retakes	• 52% of 11th and 12th grade students passed the FCAT Reading Retake. • 51% of 11th and 12th grade students passed the FCAT Math Retake.	

Grades school based on performance across various subject areas

Possible Choice Options

- Your child is not eligible for an opportunity scholarship for public school choice under the A+ Plan.
- **CLEWISTON HIGH SCHOOL** has not met federal adequate yearly progress under No Child Left Behind because it needs improvement in one or more areas. Because this is not a Title I school, your student is not eligible for school choice options under No Child Left Behind.
- Contact your district office at 863-674-4642 for other choice options available to you.

**Title I refers to the federal law that provides funding for low-income students. A school is eligible for Title I status when at least 35% (targeted assistance) or 40% (school wide) of its students qualify for free or reduced-price lunch based on their families' income levels.

School Efficiency Indicator relates money spent at the school-level with student performance at that school allowing users to evaluate the efficiency and effectiveness compared to other schools.

This school is in the lower third of all high schools in the state on percent of students making learning gains.

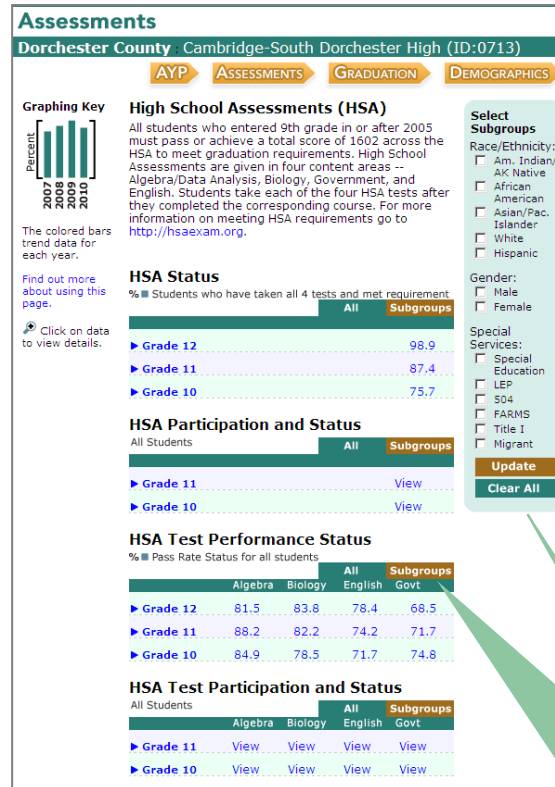

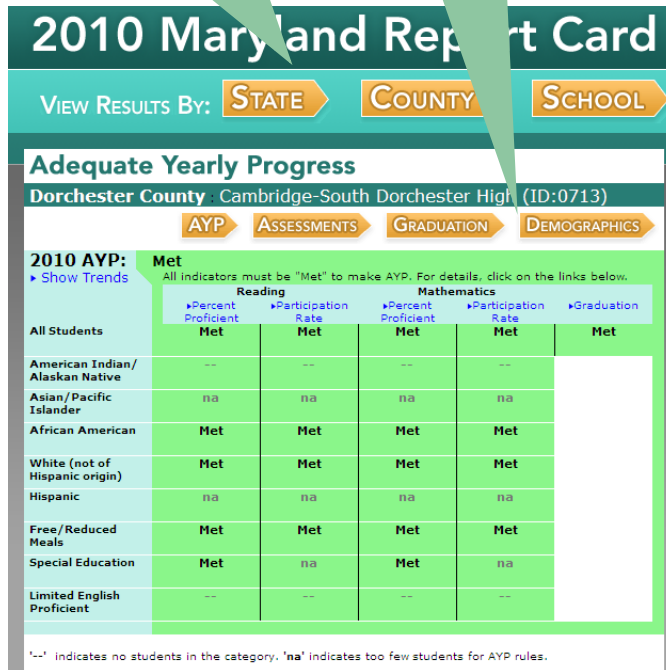

This school is in the middle third of all high schools in the state on cost per student.

Illustrates school efficiency indicator based on learning gains and program costs (on spectrum of low, medium, high)

Maryland (1 of 2)

Tabs highlight 4 main sections

Click-through or selection allows deep-dive into demographic breakdowns of performance

Maryland School Assessment (MSA)

The Maryland School Assessment is an annual assessment program that tests grades 3 through 8 in reading and mathematics. Two tests are also required at the high school level to measure reading and mathematics. The MSA results are used in the calculation of whether a school met the AYP target. Science scores are represented for grades 5 and 8 and the high school level but are not a part of AYP. The performance results for MSA include both MSA and MOD-MSA students for grades 3-8.

MSA Snapshot

Alternate MSA (ALT-MSA)

The Alternate Maryland School Assessment is the Maryland assessment in which students with the most significant cognitive disabilities participate if through the IEP process it has been determined they cannot participate in the MSA/MOD-MSA even with accommodations. The ALT-MSA assesses and reports student mastery of individually selected indicators and objectives from the reading and mathematics content standards or appropriate access skills.

ALT-MSA Snapshot

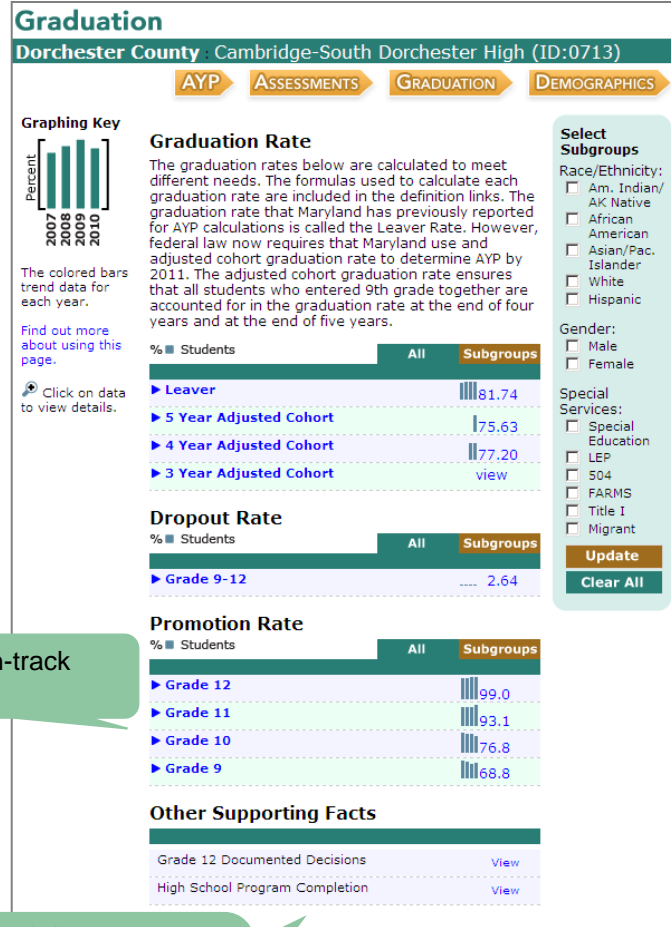

College Readiness

Student performance on tests used by colleges to determine student preparation for college success.

Designates school based on student performance and growth

HIGH STUDENT PERFORMANCE, CONTINUED

School Performance

Each year, schools in North Carolina may receive several designations based on their performance on the state's ABCs tests. These designations are awarded on the basis of the percentage of students performing at grade level and on whether students have learned as much as they are expected to learn in one year. The designations earned by your school are displayed below, followed by a brief description of each designation.

Our School's Designation(s): No Recognition

DESIGNATION	PERFORMANCE: STUDENTS PERFORMING AT GRADE LEVEL	GROWTH: LEARNING ACHIEVED IN ONE YEAR			PERCENT OF SCHOOLS WITH DESIGNATION	
		High Growth	Expected Growth	Expected Growth Not Achieved	DISTRICT	STATE
HONOR SCHOOL OF EXCELLENCE	At least 90% of students at grade level and the school made adequate yearly progress (AYP)				0%	11%
SCHOOL OF EXCELLENCE	At least 90% of students at grade level				0%	3%
SCHOOL OF DISTINCTION	At least 80% of students at grade level				0%	35%
SCHOOL OF PROGRESS	At least 60% of students at grade level				0%	28%
NO RECOGNITION	60 to 100% of students at grade level			✓	100%	16%
PRIORITY SCHOOL	50 to 60% of students at grade level, OR Less than 50% of students at grade level				0%	5%
LOW PERFORMING	Less than 50% of students at grade level				0%	0%

Adequate Yearly Progress (AYP) Results

North Carolina has set target goals that schools must meet to make Adequate Yearly Progress (AYP) under the federal No Child Left Behind (NCLB).

Our school did not make adequate yearly progress.
Our school met 15 out of 21 AYP targets.

In any group where the percentage of students at a grade level is greater than 95% or less than 5%, the actual values are not displayed because of federal privacy regulations. In these cases the results are shown as >95% or <5% for the group.

Performance tracked by group (ethnic group, EL, etc.)

Determining Your School's Rating

Determining your school's report card designation is a multi-step process. The first step is to determine a preliminary rating, which is based on the following components: 1) the percentage of indicators met, 2) the performance index score and 3) AYP status.

Measures of a Rigorous Curriculum for the Class of 2007

Measure	2006-07 Graduates	Data Source
Graduation Rate	70.7 %	EMIS
Mean ACT Score	17	ACT Corp., EMIS
Percent of Graduates participating in the ACT	30.5 %	ACT Corp., EMIS
Mean SAT Score	874	College Board, EMIS

SC PERFORMANCE GOAL

2010 Goal:
 By 2010, SC's student achievement will be ranked in the top half of the states nationally. To achieve this goal, we must become one of the fastest improving systems in the country.

2020 Vision:
 By 2020 all students will graduate with the knowledge and skills necessary to compete successfully in the global economy, participate in a democratic society and contribute positively as members of families and communities.

REPORT OF PRINCIPAL AND SCHOOL IMPROVEMENT COUNCIL

Carvers Bay High School (CBHS) is a comprehensive high school located in rural Georgetown County, South Carolina. Our community consists of many single family households. The unemployment rate continues to increase and forces families in this area to move away to find employment. The school is in its fourth year of the Teacher Advancement Program (TAP) initiative and has improved the achievement gap for 2009-2010. Carvers Bay received the state Palmetto Gold Award for closing the achievement gap. The school's building construction and agricultural science programs are on the cutting edge by challenging our students with hands-on experience and providing them with life skills.

Carvers Bay High's challenge is to increase the number of students that meet readiness standards for postsecondary education, the workplace, and the military by adopting a culture of high expectations through a more rigorous curriculum.

Future goals include increasing the number of AP classes offered to our students, providing students with the opportunity to have more challenging academic classes, partnering with community civic organizations to provide opportunities for students to participate in service learning projects, as well as, developing a working plan where teachers will have collaborative planning time within the school and with the feeder middle school. We will continue to build a strong relationship with district and community in our commitment to improving student achievement.

Sincerely,
Richard Neal, Principal

Aminia Bromell
School Improvement Council Chair

Overview

Sunset High School is a comprehensive high school that serves approximately 2,300 students in grades nine through 12. At Sunset High School, our mission is to enhance the learning climate by providing quality education for students. Qualified and quality teachers challenge students academically and serve their diverse needs. We continually improve the performance scores of students as measured by the state and the district. In addition, we continue to increase parental and community involvement in our school.

Sunset High School prides itself on having the highest growth rate in student learning among comprehensive high schools in the district, according to the School Effectiveness Indices Report for 2007-2008. This past school year, we set our goals even higher and, again, Sunset High School saw gains on TAKS tests for Reading/English language arts, math, and science, including an increase in the commended rate for all

Los Angeles (1 of 2)

Los Angeles Unified School District

SCHOOL

report

card

Dear High School Parent or Guardian,

The LAUSD School Report Card is a valuable tool to help parents. It contains important information about your child's school and resources to help you support your child's learning.

Developed by parents, community partners and the District, the School Report Card can help you better understand the school community. It helps you ask questions about how the school prepares your child for college and career, such as

- Is my child on track to graduate on time?
- Has my child passed A-G courses required for college?
- Does my child's school have a positive learning environment?

The graduation rate in the District is improving, but it is not what we want it to be. We want all our students to graduate. Together, we can guide them along the pathway to success in school and in life.

We are here to help you and your child in every way we can. We are working to develop improved measures of your school's progress. We welcome your questions and comments about your child's school and studies.

Ramon C. Cortines
Superintendent

ELENA BROWN
Principal

LAUSD Students Graduating in Four Years

Category	Rate
A. 9th graders enrolled in fall 2006	100%
B. Those graduating in 2010	55%
C. Those still working toward a diploma in 2010-11	6%

All CA schools receive an API score based on test performance

LOS ANGELES SENIOR HIGH

The Academic Performance Index (API) is a score California gives each school based on student test scores. 800 is the target API score; 1000 is the maximum.

API Score 2009-2010 **623** Change from 2008-2009 **▲ 59**

► How many students are at this school? **2,980**

PROGRESS

► How are students moving toward high school graduation?

To graduate, students must earn 230 course credits, complete required courses, and pass the California High School Exit Exam (CAHSEE).

How many students are moving from ...	2008-09	2009-10	LAUSD Average
...9th to 10th grade (55 credits)?	47%	52%	62%
...10th to 11th grade (110 credits)?	58%	70%	71%
How many students are ...			
...passing the CAHSEE in the 10th grade?	50%	63%	64%

► Are students meeting California standards in English language arts and math?

Students in grades 2-11 are tested annually to assess their achievement of state content standards. California Standards Test (CST) scores fall into 1 of 5 performance levels. The state's goal is for all students to score proficient or advanced, the top 2 performance levels.

Students scoring at the proficient or advanced performance level in ...	2008-09	2009-10	LAUSD Average
English language arts	20%	24%	37%
Math	8%	9%	17%

► How much Academic Growth over Time did the school make on standardized tests?

A method known as value-added analysis helps us know how much students have progressed on standardized tests from one year to the next. Academic Growth over Time is a more accurate assessment of students' progress than what we have reported in the past because it considers students' previous test results in the analysis. This spring, LAUSD will publish Academic Growth over Time results. Look for this information for your school online at <http://lausd.net>. Also, learn more about this method at sae.lausd.net.

Progress highlights both on-track indicators and student growth

READINESS

► How many students are graduating in four years?

► How are students preparing for college and career?

Below are three goals to help your student prepare for entrance into California's public colleges or for a chosen career. At a minimum, to be eligible for a University of California (UC) or California State University (CSU), students must pass a specific set of 15 college preparatory courses (known as A-G courses) and take college entrance exams. For a complete list of certified A-G courses in your child's school, go to www.uccp.edu/doorways.

1 Achieve a "C" or better in all A-G courses	2008-09	2009-10	LAUSD Average
College eligibility improves with a higher Grade Point Average (GPA).			
Graduates passing all A-G courses with a "C" or better	13%	12%	25%
Students on track to complete A-G requirements with a "C" or better	**%	14%	26%
2 Take the ACT or SAT by 12th grade and achieve a minimal score			
College eligibility improves with higher college entrance exam scores.			
Students who took the SAT or ACT	39%	40%	43%
Students achieving at least 1400 on the SAT or 19 on the ACT	25%	33%	41%
3 Achieve a "C" or better in Advanced Placement (AP) courses			
College eligibility improves with additional AP courses passed with a "C" or better.			
Students taking at least one AP course	11%	12%	15%
Enrolled and passing with a "C" or better	81%	84%	86%
Number of unique AP subject courses offered (33 approved courses statewide)	18	16	12

Additional career metrics will be made available in future years.

Readiness report college & career readiness based on course completion, ACT/SAT performance, and AP enrollment and performance

Los Angeles (2 of 2)

LEARNING environment

► What is it like to be at this school?

In 2009-10, students, staff, and a random sample of parents were surveyed about their experiences at this school. Here is what they told us...

Students:	Number (percent) responding:	1,681 (67%)
What we are learning takes a lot of thinking.		71%
Adults at this school know my name.		66%
My school is clean.		44%
I feel safe on school grounds.		76%
Parents:	Number (percent) responding:	122 (20%)
I feel welcome to participate at the school.		88%
The school offers me opportunities to participate in councils, parent organization.		89%
I talk with the teacher about my child's schoolwork.		29%
My child is safe on school grounds.		64%
Staff:	Number (percent) responding:	142 (46%)
I get the help I need to communicate with parents.		71%
I am proud of this school.		69%
My school is clean.		54%
I feel safe on school grounds.		90%

For more information on the survey results, go to <http://reportcardsurvey.lausd.net>.

► What is the highest level of education students PLAN to complete?	Students responding: 1,596		
High school	11%	2-year college	8%
Vocational school	1%	4-year college	36%
		Graduate school	23%
		Unsure of plans	18%

► What are other important things to know about this school?	2008-09	2009-10	LAUSD Average
Students suspended one or more times	4%	4%	6%
Teachers at this school for at least 3 years	84%	82%	78%
Staff with 96% or higher attendance*	53%	52%	59%
Students with 96% or higher attendance*	47%	40%	53%
*96% attendance is equal to 7 days absent			
Academic courses taught by an NCLB highly qualified teacher	91%	95%	90%

'Learning environment' includes both survey response rates from students, parents, & staff, and student suspensions and attendance and teacher experience and attendance

STUDENT groups

► What percentage of students is scoring proficient or advanced across student groups?

'Student groups' provides demographic breakdowns of performance, especially 'historically underserved students'

► How are historically under-served students performing?

This section shows information about three major student groups (African Americans, students in special education and English learners) who have to meet performance targets in English language arts (ELA) and Math.

African Americans scoring proficient or advanced in...	2008-09	2009-10
English language arts	19%	20%
Math	4%	7%
Students in special education scoring proficient or advanced in...		
English language arts	2%	4%
Math	0%	1%

English learners must achieve 3 goals to be reclassified as fluent English (RFEF): 1. Score proficient on the California English Language Development (CELDT) 2. Show basic skills on the California Standards Test (CST) 3. Be recommended by the school by passing English courses with a "C" or better

English learners...	2008-09	2009-10
1...scoring proficient on the CELDT*	25%	42%
2...scoring basic or above in ELA	12%	25%
3...passing English courses with "C" or better	**%	52%

*Data shown when school has at least 30 students classified as EL for 5 or more

LEARN more

► Who are the students at this school?

Total number of students enrolled: 2,980

► Percentage of students enrolled who are...

African American	10%	Gifted and talented	7%
American Indian	0%	Students with disabilities	12%
Asian	10%	English learners	32%
Filipino	2%	Reclassified fluent	41%
Latino	77%	English proficient	75%
Pacific Islander	0%	Economically disadvantaged	75%
White	1%	Students entering and leaving	36%

► What is Adequate Yearly Progress (AYP) and Program Improvement (PI) Status?

A school must meet targets under No Child Left Behind (NCLB) on standardized tests and graduation rates for all students and for certain groups (economically disadvantaged students, students with disabilities, English learners, and students in different ethnic groups).

Did this school meet AYP requirements? No
How many requirements did the school meet? 10
...out of a possible 18

A Title I school is in **Program Improvement (PI)** status when it does not meet AYP requirements two years in a row. When this happens, an intervention plan is designed to help the school meet its requirements. Parents are notified when a school enters PI status. You may view a copy of your school's plan at your school.

What was the school's PI status as of November 1, 2010? Year 5

► How are students performing in magnet centers and/or small learning communities (SLC)?

Magnet Center and/or SLC	Students scoring proficient or advanced in...	
	ELA	Math

GET involved

► What you can do as a parent...

As a parent, you play a critical role in your child's success in school. Aside from teachers and counselors, the school principal is someone every parent can talk to at the school. Many schools also have a parent center with additional resources for parents.

The principal of this school: ELENA BROWN
The school phone number: 323-900-2700
The parent center phone number: 323-900-2700

NYC (1 of 2)

Grade displayed prominently and explained

Identifies "peer schools" due to similarity in student population

Category grades assigned for school environment, student performance, and student progress

Scoring formula gives schools credit for "exemplary gains" among high-need students

Additional Information

Closing the Achievement Gap

Schools earn additional credit when their high-need students achieve exemplary outcomes. In high school, our ultimate goal is for all students to graduate ready for college. Accordingly, schools can earn additional credit based on the weighted diploma rate of high-need students, which gives higher weight to students with more college-ready diplomas such as Regents and Advanced Regents.

Schools can also earn additional credit based on the percentage of students, in the lowest third citywide who score a 75 or higher on the English Regents or on a Math Regents. Students with these scores are more likely to be able to attend a four-year University without the need for remedial classes.

This component can only improve a school's Progress Report grade. It cannot lower a school's grade.

Credit	Exemplary Outcomes	Additional Credit Category
		Weighted 4-Year Diploma Rate
-		English Language Learners
+3	384.6%	SETSS / CTT / Self-Contained Students
		Students in the Lowest Third Citywide
		Lowest Third Citywide
-		Scored 75 or higher on the ELA Regents
-		Scored 75 or higher on the Math Regents

(-) Indicates less than the minimum number of students in this category

Peer Schools

Each school's performance is compared to the performance of schools in its peer group. Peer schools are those New York City public schools with a student population most like this school's population. Each school has up to 40 peer schools.

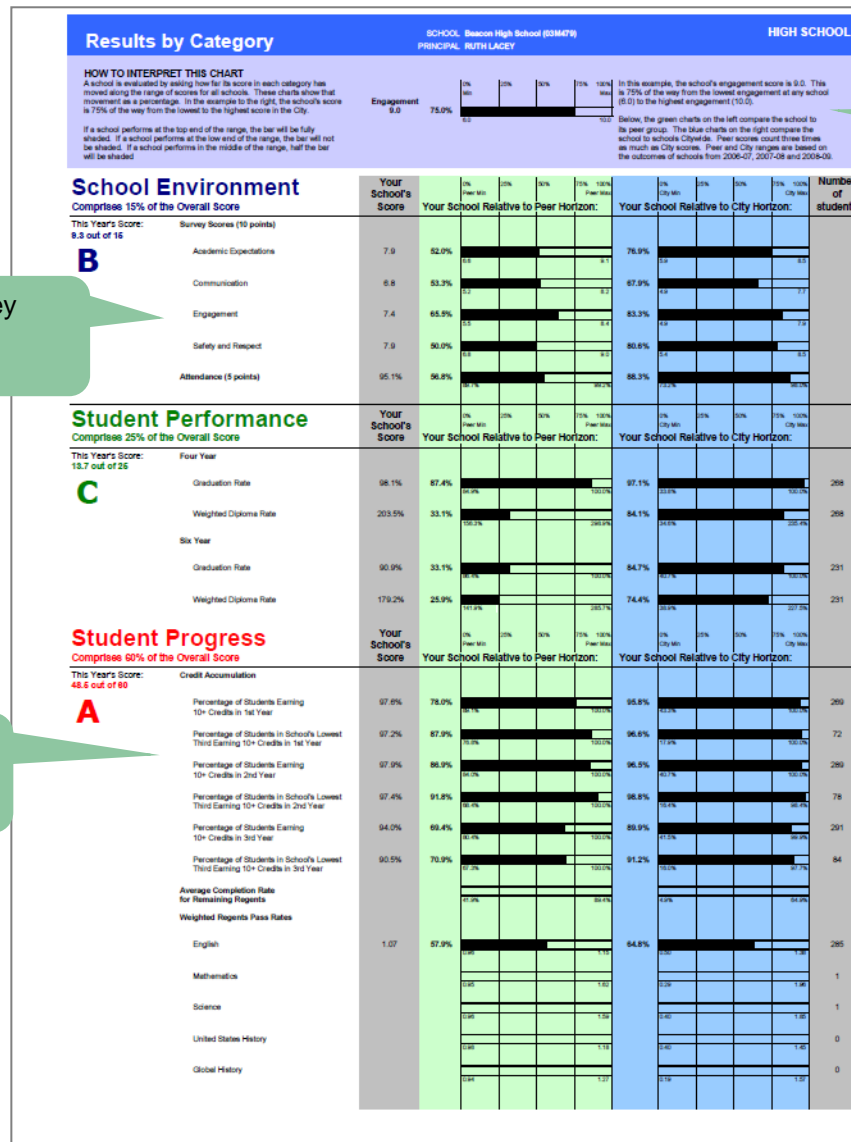

For High Schools, peer schools are determined based on four factors: 1) the average ELA and Math proficiency levels of the school's students before they entered High School, 2) the percentage of special education students, 3) the percentage of self-contained special education students, and 4) the percentage of students who enter high school 2 or more years overage. A lower peer index indicates a higher need population.

The peer schools for Beacon High School are:

DBN	School Name	DBN	School Name
280225	Townsend Harris High School	03M411	Baruch College Campus High School
101445	Bronx High School of Science	30C001	Franklin D. Roosevelt High School

The Progress Report is a key component of Mayor Michael R. Bloomberg's and Chancellor Joel I. Klein's Children First reforms. The Progress Report is designed to assist administrators, principals and teachers in accelerating the learning of all students. The Progress Report also enables students, parents and the public to hold the NYC Department of Education and its schools accountable for student achievement and improvement and for ensuring a high quality education for every student in NYC's public schools. If you have any questions or comments about the Progress Report, please visit <http://schools.nyc.gov/Accountability/Tools/ReportDefault.htm> or send us an email at pr_support@schools.nyc.gov.

Provides view on climate from both students and family/ staff

2nd page highlights school mission, goals, description and plans to achieve goals, annual budget, and district mission statement

School Mission Statement

The Center School aims to empower and inspire all students to positively affect our world.

School Goals

- To increase 9th grade students earning 6 credits in their 1st year to 95%, an increase from 88% in 2010. •To increase the % of positive student responses to the survey prompt "My teachers make learning interesting and challenging for me" to 60% from 51% in 2010.
- To increase the % of positive family responses to the survey prompts "Families feeling positive about family engagement" to 95% from 85% in 2010. •To increase the number of students with fewer than 10 absences to 50% from 38% in 2010. •At least 60% of students enrolled in Algebra and Geometry will meet state math standards, an increase from 53% in 2010.

School Description & Plans to Achieve Goals

The Center School goals for the 2010-2011 school year include supporting students to earn enough credits each semester to enter to the next grade. The Center School staff meet throughout the year as a team to look at student work to serve our students better within each classroom and make the learning rigorous and relevant to the students. Teachers work on students' high passing rate on state tests by increasing student success in learning standards in Algebra and Geometry. The staff also hear from both parents and students to receive helpful ideas. It is the Center School belief that by listening well to our students and examining their successes and challenges, we can continually improve our community feeling positive about family engagement. We will continue to provide opportunities for students to increase their sense of responsibility both personally and academically by promoting daily attendance.

Annual Budget Report

Total School Budget: **\$1,776,243**
Per-Student Funding: **\$5,981**

All financial data are from the 2010-11 recommended budget.

Invitation to Participate

One of the goals of having School Reports is to support our families as critical partners with us in your student's academic success. To get involved, please share this information with your friends and neighbors, visit your child's school, or consider talking to your child's teacher or principal about joining the school's Building Leadership Team or Parent Teacher Student Association to shape your school's improvement plan.

District Mission Statement

Enabling all students to achieve to their potential through quality instructional programs and a shared commitment to continuous improvement.
